Heterogeneous Urban RSTA Team (HURT)

About the R&E Portal

The R&E Portal provides a one-stop shopping location for DoD research & engineering information. For more information about the R&E Portal and its content, click the Help tab.

Who's Who

Access these R&E Portal features to locate or learn more about people involved in research and engineering or who hold important positions in DoD R&E.

Community of Scholars - The CSA/COS database of researchers (contact and publication information) and funding opportunities allows users to search for people or funding opportunities by key word and narrow the results by subject area.

R&E Community Members - The R&E Community Members database includes directors' names and contact information for DoD R&E organizations across the Services and Agencies.

What's New

The Defense Technical Information Center announces DoDTechipedia, a joint Department of Defense (DoD) initiative. DoDTechipedia, the choice DoD scientific and technical wiki, enables Dc personnel to collaborate on technological solutions, reduce costs, add capability and avoid duplication. Visit DoDTechipedia at https://www.DoDTechipedia.mil.

Enhanced version of the DoD Congressional Queries site is launched. The site offers a more friendl method of doing queries and offers expanded tutorials.

The Defense Technical Information Center (DTIC) will host the 2008 Acquisition & Life Cycle Management Symposium on November 18 & 19, 2008 in Huntsville, Alabama. More information c be found at http://www.dtic.mil/dtic/peosymposium/PEOsymposium/SympHome.html. For spec questions, please contact confinfo@dtic.mil or call Ms. Evon Bumbray at 703-767-8236.

The R&E Database Search has been updated to include 2007 submissions. The search capability has also been updated to allow more options and flexibility in searching for data. To use the searcl go here or use the link under Research Resources.

The Knovel Reference Library is available through the R&E Portal. Check out this useful new servi

DoD Congressional Budget Data

Previous Reports

Welcome to the Defense Technical Information Center (DTIC) sponsored DoD Congressional Budget Data website. From this site you can access DoD Congressional Budget data, in both PDF and Excel spreadsheet formats. DTIC's goal is to post the data from each report on this site after they are filed and made available on the Thomas (Library of Congress) website.

Disclaimer: *The Congressional budget data contained on this site is based on the authoritative information found on Thomas, the Library of Congress' Web site. DTIC scans the Congressional budget data and converts the information into Excel spreadsheets, which are easier to manipulate. The converted data is reviewed by DTIC to ensure accuracy; however some conversion errors can be overlooked. The scanning process is approximately 95% accurate. You can view the authoritative Congressional budget data at: http://www.thomas.gov .*

Download: Select links in the table below to download PDFs or Excel spreadsheets of the associated sections of each report. Selecting the report link will allow you to download a PDF of the entire report.
